

The Anglican Relief and Development Fund

The Gospel of Jesus Christ is taking the hearts of people torn by war, famine and worn down by despair and changing their lives through ARDF projects!

The Anglican Relief and Development Fund has funded 77 projects in 31 countries since it's inception in 2004. **467,000 lives have been changed** through the work of ARDF including development projects in Malawi, Kenya, Uganda, Indonesia, Brazil, Peru, Ghana, and Egypt. Sustainable life change has been made in areas of health care, Christian evangelism and discipleship, economic empowerment, disaster recovery, and education. Follow-up reports have shown that 85% of ARDF projects have met or exceeded the projected life change on those persons served!

What a great investment to make a difference!
